How do I get the Pizza Hut skill? Customers can enable the Pizza Hut skill via the Alexa app and/or via <https://www.amazon.com/Pizza-Hut/dp/B01MSXEPMC>.

How do I place an order with the Pizza Hut skill? Alexa customers must enable the Pizza Hut skill by saying "Alexa Open Pizza Hut" or "Alexa, ask Pizza Hut to place an order."

How is the 40% coupon applied? The discount will be automatically applied at checkout. No need for a promotional code. After confirming your preferred store location, Alexa will communicate if the order is eligible to receive 40% off if the local store selected is participating.

What are the restrictions to the discount? The discount is only applicable on menu-priced items. It cannot be combined with any other limited time offers or existing Pizza Hut deals or discounts. Discount not applicable to tax, delivery charge or driver tip. Delivery charge not a driver tip.

Does the discount work for both delivery and carryout orders? Yes.

Can I order with the discount more than once? Only one coupon can be redeemed per order but every time a customer places an order during the promotional period (4/1 – 4/3) using their Alexa device, they are eligible for the 40% off discount.

I tried to place an order, but the franchise is not giving me a discount? Offer valid at participating locations only.

I am having trouble linking my account, why? Please contact PizzaHut.Alexa@yum.com with your issue.

Do I get a receipt? Yes, Pizza Hut will send a receipt that illustrates the discount either via email if the customer sets up a PizzaHut.com account or at the point of delivery or carryout.

Can I pre-order my pizza via Alexa? No. Orders must be for the same day.

Can I cancel my order via Alexa? No. You will need to call the store.
